

PA SERIES Tech-Tru™

Forged Steel Body Adjustable Scroll Chucks 0.0004" T.I.R.
with Fine Adjustment

Gator TECH-TRU™

TECH TRU™ Adjustable Scroll Chucks provide a much higher level of accuracy and repeatability than universal or precision chucks.

Forged Steel bodies and heat treating of critical areas give Gator chucks high accuracy and long life.

Gator is a NO RISK line.
We guarantee your satisfaction.

Easy Set Up, Easy Use!

gator chucks™
BY FUJEDA

Strong, Precise, & Reliable

For use on grinders, lathes, rotary tables, indexers and a variety of milling applications. 6 Jaw Chucks are ideal for thin wall pipe applications.

Along with steel adapters, Gator provides a full complement of spare parts, including soft solid and soft top jaws. **TECH TRU™** Steel Adapters are heat treated for higher accuracy and longer life.

Did you know?

Gator **TECH TRU™** forged steel body chucks can be used as a Direct Replacement for Bison Steel Body Adjustable Chucks. (Bison series 3565, 3564, 3865, 3864).

Gator provides the BEST VALUE on the planet. No other producer even comes close.
